EXHIBITOR PROSPECTUS

PARTICIPATE IN IPC APEX EXPO™ — the largest trade show and conference for the printed board and electronics manufacturing industries. Reach every link in the supply chain — PCB manufacturers, designers, OEMs and EMS companies. Product specifiers, technical experts, company presidents: all come to discover new products, find new suppliers and solve manufacturing challenges. Connect with more decision makers in three short days than you can in a year of knocking on doors and e-mail blasts. It's the industry's own show and you need to be there, now more than ever.

CATEGORIES ATTENDEES SPECIFY, RECOMMEND OR BUY:

- Drilling, Routing & Tooling Equipment
- Wet Processing Equipment
- PCB Chemicals, Laminates & Materials
- Test/Inspection Equipment
- Cleaning Equipment/Supplies
- Printed Boards
- Software

And, there's more! Designers Forum at IPC APEX EXPO includes a focused educational program and certification programs for PCB designers. Connect with these key influencers and specifiers!

"People are really looking to spend some money and invest in their future."

Lino Sousa, president, MicroCraft

**"We've got a good number of qualified leads.
The IPC show has been beneficial for Taconic."**

Sam Paltakian, Taconic
